

WING KEI FAMILY CORNER

SUMMER 2018

CELEBRATE GROWTH

Did you know anything about our current and future growth at Wing Kei? Did you get a chance to pass by Greenview recently as Phase 2 has already over 90% completed? How about the 3-acre piece of land at Centre Street Church West Campus?

While we are growing and getting prepared to serve more seniors, we will work hand in hand with family members, and welcome new blood to our dedicated staff teams.

Watch this video about a centenarian resident in Wing Kei - Mrs. Mui

ADMISSION TO WING KEI

We understand the process of finding a new home for your loved ones may be challenging; but, we are glad to support you in the decision making and application process.

If your loved one has been assessed by Alberta Health Services and be deemed suitable for admitting to a long term care facility, please make sure that you request the file to be considered by both Wing Kei Care Centre (Crescent Heights) and Wing Kei Greenview Phase 2 (both are our long term care facilities). For more detailed procedures, please listen to our podcasts:

SPECIAL EVENTS

SUMMER 2018

CHARITY GOLF 2018

Without the great support from each one of our golfers, the 2018 Charity Golf would not be successful. The event has raised over \$125,000! Thank you to all participants, sponsors and staff who made this another memorable event, see you next year!

Wing Kei is Hiring!

Yes we are! A successful Career Fair was held at the Care Centre on August 2. Another one is planned for Greenview on September 19. Please find more information on: wingkeicarecentre.org/get-involved/career

We aim to recruit **an additional 100 new employees**, who cares for our seniors just like you care for your loved ones, to serve and grow with us. If you know of any one who has a big heart and passion for seniors, Wing Kei would like to invite them to join our family.

More Wing Kei news can be found on the following webpage under Family & Residents Resources:

- Safety & Quality Improvement
- Care & Resident Support
