## Family update #68

January 8, 2021

Dear family and friends,

### Outbreak Update

We are sorry to inform you that one more of our team members who works on the 3<sup>rd</sup> floor of Crescent Heights has tested positive for COVID-19. Both this individual and the staff member reported in our update yesterday acquired the infection from the community; it is not due to the spread on the 3<sup>rd</sup> floor. Both staff are asymptomatic and are following self-isolation protocols.

We have spoken with the Medical Officer of Health's office and ascertained that a few residents on the 3<sup>rd</sup> floor will be required to quarantine. The majority of residents can continue to interact and have their meals in the dining room. All residents on the 3<sup>rd</sup> floor have been swabbed and we are thankful that the results are all negative.

Our current status is as follows:

	Crescent Heights (145 residents)	Greenview Long Term Care (80 residents)	Greenview Supportive Living (95 residents)
Number of <b>new cases</b> as of January 8, 2021	Residents—0 Staff—1	Residents—0 Staff—0	Residents—0 Staff—0
<b>Cumulative total</b> since January 7, 2021	Residents—0 Staff—2	Residents—0 Staff—0	Residents—0 Staff—0

*Note: The above table indicates the current outbreak on the 3<sup>rd</sup> floor of Crescent Heights. The outbreak on the 5<sup>th</sup> floor of Crescent Heights was declared on December 18<sup>th</sup>, 2020 and cleared on January 6, 2021.*

### Family Town Hall

Dr. Mah, Wing Kei's Medical Director, has received the COVID-19 vaccination and will share his experience at the upcoming Family Town Hall on Wednesday, January 13 at 5.30 pm. Please email [selinacheng@wingkei.org](mailto:selinacheng@wingkei.org) for the Zoom meeting information if you would like to join. Remember to send in your questions on or before Monday, January 11 so we can be sure to address them in the meeting.

Thank you for keeping Wing Kei in your prayers.

*Don't worry about anything; instead, pray about everything.
