

Family update #78

January 22, 2021

Dear family and friends,

Outbreak Update

We have received COVID test results of all Greenview Long Term Care 2nd floor residents and they are all negative. The next swab test will be on January 26. We are very thankful that all Greenview residents have received the first dose of the COVID vaccine on January 12. Hopefully it will give them protection against the virus.

Our current status is as follows:

	Crescent Heights (145 residents)	Greenview Long Term Care (80 residents)	Greenview Supportive Living (95 residents)
Number of new cases as of January 22, 2021	Residents—0 Staff—0	Residents—0 Staff—0	Residents—0 Staff—0
Cumulative total since January 21, 2021	Residents—0 Staff—0	Residents—0 Staff—1	Residents—0 Staff—0
January 21, 2021		Outbreak declared	

Thank you for keeping Wing Kei in your prayers.

Don't worry about anything; instead, pray about everything.

Tell God what you need, and thank him for all he has done.
