Together we've raised

\$338,000

For our 21st Walk for Wing Kei, we embarked on our first-ever virtual walkathon and you embraced us with open arms!

Over the span of 75 days, each one of you took a creative approach to your walk.

From walking in your living rooms to hiking in the mountains, you stepped in and stepped up from all corners of the world to support and walk for our seniors.

Thank You

to our: walkers, donors, sponsors, and supporters!
